

Asset Transfer Request
Reporting Template 2023/24 for Relevant Authorities

Section 95 of the Community Empowerment (Scotland) Act 2015 requires relevant authorities to produce an annual report on Asset Transfer Request activity and publish this no later than 30 June each year.

Following stakeholder feedback and in response to asset transfer evaluations, this template has been created to help gather asset transfer data for the period 1 April 2023 to 31 March 2024. Information provided will help inform policy and practice at local and national level as the data will be collated and shared by the Scottish Government's Community Empowerment Team. However, it will be for each relevant authority to make their own annual report publicly available by 30 June 2024, whether using this template or not.
